THE EXODUS EXPERIENCE

Dear Educators,

This coming March an exciting educational opportunity is taking place in Florida.

The Exodus Experience is an interactive, hands-on, educational production, retelling the story of the Exodus from Egypt. Audience participation and cast interaction make this experience a fun, fresh and exciting production that's not to be missed. Visitors will walk through a series of rooms where they will participate in a reenactment of the events. Through a combination of hands-on activities and an assortment of audio-visual displays, students will enrich their understanding and appreciation of this timeless historical event.

The Exodus Experience has been presented in major cities throughout the world to tens of thousands of people from various backgrounds, all with rave reviews.

Each student will receive their very own costume, and enter a **Time Machine** where they will be transported back to more than 3,330 years. And Relive the Exodus from Egypt as if they were actually there.

What will the Students experience?

- Moses being rescued from the Nile River
- Witnessing the slavery in Egypt
- Moses at the burning bush
- Meeting Pharaoh in his palace
- Experiencing the ten plagues
- Baking their very own Matzah
- Crossing the Red Sea
- Walking through the hot and sandy desert
- And being present at the giving of the Torah

We anticipate that many groups and individuals will participate in this learning adventure. We welcome you to call with any questions and encourage you to reserve a tour for your group as soon as possible by going online to www.Exodus09.com or faxing the enclosed application to **561-998-5682**.
